SHOPIFY HANDLE - EVOLVING SOLUTION E-COMMERCE PVT.LTD | MAY 2023 - APR 2024

- inventory management refers to the process of storing, ordering, and selling of goods and services. The discipline also involves the management of various supplies and processes. One of the most critical aspects of inventory management is managing the flow of raw materials from their procurement to finished products.
- On the Inventory page in your Shopify admin, you can view your inventory, adjust your inventory counts, and create inventory transfers. You can also view the history of inventory adjustments for products and variants whose inventory is being tracked by Shopify.
