

## Desktop Policy

### **1.0 Purpose**

Desktop computers provide important functionality, allowing employees to have their computing workplace and WFH (work from home).

### **2.0 Scope**

These procedures apply to all employees who use Company owned Desktop. These individuals are hereinafter referred to as "caretakers". Each caretaker of a Company-owned desktop is responsible for the security of that desktop, regardless of whether the desktop is used in the office, at one's place of residence.

### **3.0 Procedures**

#### **3.1 Requesting for a Desktop**

Every employee who wishes to use the Desktop should fill the Desktop request form and forward it to the Project Head. The Project Head, in turn, with the help of IT team will check the availability of Desktop and basing on the requirement of the user would release the Desktop for the employee use.

#### **3.2 Registering a Desktop**

Every Desktop must have a caretaker. Each department that has a desktop(s) must have a sign out sheet indicating that has the desktop, the make, and model and NCC inventory number. This information should be sent to IT team each time there is a change of the caretaker.

#### **3.3 Desktops in Corporate Office**

Desktops must be secured in safe place when not in use, i.e.

#### **3.4 Desktops Out of Corporate Office**

When a caretaker takes the desktop out of his/her office, s/he is expected to keep the desktop in sight, or in a secure and locked location, at all times. It is the total responsibility of the caretaker to handle the Desktop.

During the period, when the caretaker carries the Desktop with them the same should not be misused for the purpose of transferring the data on to other storage devices. If any

### 3.5 Reporting a Theft

If a Company-owned desktop is stolen / lost in office premises, its caretaker is expected to immediately file a theft report with IT Team and with HR/Admin Department. If traveling, the caretaker must also report the theft to the local law enforcement agency. In case of negligence the management has every right to deduct it from the Employees Salary.

### 3.6 Keeping the Desktop Secure

The caretaker of a Company-owned desktop must have it checked by IT team every three months (January, April, June and December) so that the latest patches, security holes and other software remain current.

### 3.7 Ending Employment at the Company

A caretaker must return the desktop to the Company before their ending date of employment. IT team shall provide a list of desktops and caretakers to Human Resources & Admin. During the exit interview with the Human Resources and Admin the Desktop, keys, and other items will be collected.

The Desktop should be returned to HR / IT in as-is-where-is condition. The caretaker shall not divulge into any malpractices like formatting the data / restoring the factory settings. Failure to return the laptop may result in withholding payments such as F&F until the desktop is returned.

### 3.8 Installation of unauthorized Software

The caretaker without the prior authorization of the IT team shall not install any unauthorized software like messengers, chatting software or any malicious software, which may cause problems to the functioning of the Laptop. **The IT team shall ensure that the caretakers are not given the option of installing the software.**

Any caretaker violating this would be penalized / recommended for disciplinary action as per the company policy
